

Name:

How Does Information Spread?

Information has spread in different ways over the centuries. Think about the way information spread about the Crusades over 800 years ago to the way information is spread about wars now. Use the organizer to explain the way ideas spread today as compared to the way information spread in the past.

The spread of ideas in the past	The spread of ideas today

Trends spreading

1. Describe a trend that has spread quickly over the last year.
2. Why has it spread so quickly?
3. Have you participated in the trend? Why?
